SPONSORSHIP APPLICATION

Jaguars United Football Club Sponsorship Information

When you become a sponsor to J.U.F.C., you'll support our mission to provide all youth in the community with the opportunity to develop their soccer skills at a high level. We are a development-focused youth program. Through this program, youth players will be taught to improve their soccer skills while learning the important values of teamwork, sportsmanship, and hard work.

Our goal is not only to advance the youth's athletic skills but to grow their overall development as a person by building lifelong skills such as: strategic thinking, discipline, logic, goal setting and leadership, among others. Research indicates that youth who develop these skills early on in life thrive in school, at home and will lead a more successful life.

Here are 5 reasons why you should become a sponsor of J.U.F.C.:

- 1.** Increase awareness of your company's products and services. Each sponsorship package has benefits for the sponsor built in: field signage, website and social media advertising, company name on uniforms, etc. Through a sponsorship, your brand will be in front of the youth sports market of parents, coaches, program organizers, players and fans. J.U.F.C. markets to over 5,000 Youth Soccer Families in Boston.
- 2.** An inviting form of advertising. In most settings consumers are inclined to tune out advertising. Although many traditional ways of reaching consumers are failing, youth sports sponsorships are a very positive and engaging way to market your brand. Parents love to see the companies that are supporting local sports teams.
- 3.** Help keep the cost of a Quality youth sports programs affordable. Player participation fees do not cover the majority of the costs of a youth sports program. Tournaments, Referee fees, Field Rentals, Travel, Coaching Fees and other expenses are required to run a Quality Sports Program. Support from sponsors provides the resources necessary to not only keep participation fees low, but maintain a high level of quality for the players and families.
- 4.** Incredible value for the dollars invested. Although sponsorship package costs vary from organization to organization, they commonly range from \$700 up to \$6,000 or more. When comparing the cost of other marketing outlets like print, television and billboard advertising, youth sports sponsorships can be a great value and a smart option to include into a company's marketing plan.
- 5.** Build goodwill. Companies that sponsor youth sports programs make a positive contribution to their community. Overall this can evoke a community wide feeling that a company understands the impact and importance of sports for their youth. This feeling can instill loyalty among a business' current and future patrons.

Your sponsorship will do so much more than just educating young people how to play a great sport – it's keeping them active and healthy, providing adult mentors and role models, giving them safe places to play in a controlled environment, and boosting their confidence to become better citizens in the future.

Thank you for supporting J.U.F.C.. Should you have any questions regarding a contribution or need additional information about **Jaguars United FC**, please do not hesitate to contact us.
